

<u>Title</u>	<u>Patent #</u>
Thermal Electric Cooling System for Liquids	5,029,445
Thermal Electric Cooling System and Method	5,154,661
Thermal Electric Air Cooling Apparatus and Method	5,450,726
Compact Thermal Electric Heat Exchanger	5,640,852
Compact Replaceable Temperature Control Module	5,613,364
Temperature Control Unit for Bubblers	8,118,939

Noah Precision is constantly at the cutting edge of technology involving thermoelectric heating and cooling applications. Noah has 5 additional patents PENDING
